Hi Jesse,

The documents for the EPA-FOI-2012-001118 have now been posted to [FOIA Online](#). I've asked who will be in charge of providing the rest of the response and will get back to you once I hear back.

Unfortunately, I don't have a time frame for getting the second FOIA to you yet as up until last week I had been working on finishing 001118. The good news is that the documents for ORD's part of the response have already been compiled and mostly organized. As you might understand, it has been and continues to be a busy time for our team. However, I'm optimistic that the review and approval process will be significantly shorter this time.

I will be able to provide you with an update in a couple of weeks.

Thanks,

Claudia

Hi Claudia,  
Thanks again for your work compiling EPA-FOI-2012-001118. Any word on the second FOIA, EPA-HQ-2012-001259? Also, since ORD has completed its part of EPA-FOI-2012-001118, is there another FOIA officer responsible for the rest of the request?

Thanks, Jesse

Jesse,

I heard your voicemail message – I apologize for the delay in emailing you. As we discussed on our phone call, I've been trying to get the partial response to those FOIAs

ready to send to you.

For clarity, the 2 FOIAs that I am working on are: EPA-FOI-[2012-001118](#) (previously HQ-FOI-01479-12) and EPA-HQ-[2012-001259](#) (previously HQ-FOI-01849-12).

1) EPA-FOI-[2012-001118](#) (previously HQ-FOI-01479-12) was filed on 6/13/12 and asks for: *"Details on all meetings (dates, agendas, minutes) and correspondence (emails, calls, letters, and all other forms) between EPA and the following: the American Petroleum Institute (API), BP, Exxon Mobil, Chesapeake Energy, Chevron, and any other oil and gas industry representative, as well as Council on Environmental Quality (CEQ), the Department of Energy, and the Domestic Policy Council of the Whitehouse regarding EPA's Hydraulic Fracturing Study conducted by Jeanne Briskin," originating from April 30, 2012 to June 1, 2012.*

2) EPA-HQ-[2012-001259](#) (previously HQ-FOI-01849-12) was filed on 08/29/12 and asks for: *"all communications and records of all meetings between Chesapeake Energy and the EPA relating to the EPA Hydraulic fracturing water study for the time period of March 1, 2010 to August 16, 2012"*

Please confirm by reply email that you would like ORD to provide you with partial responses to these 2 FOIAs as soon as they are ready.

Thanks,

Claudia
